<b>39. Responsiveness of proposal</b>	<p>IOM's determination of a proposal's responsiveness is to be based on the contents of the proposal itself. A substantially responsive proposal is one that conforms to all the terms, conditions, TOR and other requirements of the RFP without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:</p> <ul style="list-style-type: none"> <li>a) affects in any substantial way the scope, quality, or performance of the services specified in the contract; or</li> <li>b) limits in any substantial way, inconsistent with the solicitation documents, IOM's rights or the proposer's obligations under the contract; or</li> <li>c) if rectified would unfairly affect the competitive position of other proposers presenting substantially responsive proposals.</li> </ul> <p>If a proposal is not substantially responsive, it shall be rejected by IOM. and may not subsequently be made responsive by the proposer by correction of the material deviation, reservation, or omission.</p>
<b>40. Nonconformities, reparable errors and omission</b>	<p>Provided that a proposal is substantially responsive, IOM may waive any non-conformities or omissions in the proposal that, in the opinion of IOM., do not constitute a material deviation. These are a matter of form and not of substance and can be corrected or waived without being prejudicial to other proposers.</p> <p>Provided that a proposal is substantially responsive IOM may request the proposer to submit the necessary information or documentation, within a reasonable period, to rectify nonmaterial nonconformities or omissions in the proposal related to documentation requirements. Such omission shall not be related to any aspect of the price of the proposal. Failure of the proposer to comply with the request may result in the rejection of its proposal.</p> <p>For financial proposals that have been opened, IOM shall check and correct arithmetical errors as follows:</p> <ul style="list-style-type: none"> <li>a) if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of IOM there is an obvious misplacement of the decimal point in the unit price; in which case, the line item total as quoted shall govern and the unit price shall be corrected;</li> <li>b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail, and the total shall be corrected; and</li> <li>c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail.</li> </ul> <p>If the proposer does not accept the correction of errors, its proposal shall be rejected and its proposal security may be forfeited.</p>
<b>41. Right to accept any proposal and to reject any or all proposals</b>	<p>IOM reserves the right to accept or reject any proposals, and to annul the proposal process and reject all proposals at any time prior to contract award, without thereby incurring any liability to the affected proposer or proposers or any obligation to inform the affected proposer or proposers of the grounds for IOM.'s action. IOM shall not be obliged to award the contract to the lowest-priced offer.</p>

AWARD OF CONTRACT	
<b>42. Award criteria</b>	Prior to expiration of the proposal validity, IOM shall award the Contract to the qualified proposer based on the award criteria indicated in Section 3: Data Sheet.
<b>43. Right to vary requirement at time of award</b>	At the time the contract is awarded, IOM reserves the right to increase or decrease the quantity of services originally specified in Section 5: Terms of Reference, provided this does not exceed the percentages specified in Section 3 Data Sheet, and without any change in the unit prices or other terms and conditions of the proposal and the solicitation document.
<b>44. Notification of award</b>	Prior to the expiration of the period of proposal validity, IOM will notify the successful proposer in writing by email, fax or post, that its proposal has been accepted. Please note that the proposer, if not already registered at the appropriate level in UNGM, will be required to complete the vendor registration process on the UNGM prior to the signature and finalization of the contract.
<b>45. Debriefing</b>	In the event that a proposer is unsuccessful, the proposer may request a debriefing from IOM. The purpose of the debriefing is to discuss the strengths and weaknesses of the proposer's submission, in order to assist the proposer in improving its future proposals for IOM procurement opportunities. The content of other proposals and how they compare to the proposer's submission shall not be discussed.
<b>46. Performance security</b>	<p>The successful Proposer, if so specified in Section 3: Data Sheet shall furnish a Performance Security in the amount and form specified therein, within the specified number of days after receipt of the Contract from IOM. Banks issuing performance securities must be acceptable to the IOM comptroller, i.e. banks certified by the central bank of the country to operate as a commercial bank. IOM shall promptly discharge the proposal securities of the unsuccessful proposers pursuant to Article 17 (Proposal security).</p> <p>Failure of the successful proposer to submit the above-mentioned Performance Security or sign the Contract shall constitute sufficient grounds for the annulment of the award and forfeiture of the proposed security. In that event IOM may award the contract to the next lowest ranked proposer.</p>
<b>47. Bank guarantee for advance payment</b>	Except when the interests of IOM so require, it is IOM's standard practice not to make advance payment(s) (i.e., payments without having received any outputs). If an advance payment is allowed as per Section 3: Data Sheet, and if specified there, the proposer shall submit a Bank Guarantee in the full amount of the advance payment. Banks issuing bank guarantees must be acceptable to the IOM comptroller, i.e., banks certified by the central bank of the country to operate as a commercial bank.

## SECTION 5: TERMS OF REFERENCE

[Insert here the Terms of Reference (ToR) or the SOW. For Guidance on preparing ToR please refer to pages 76-78 of the [UN Procurement Practitioner's Handbook](#)].

Survivors of CRSV from Yazidi and other minority communities in Iraq played a significant role in advocacy for adoption of the Yazidi Survivors Law (YSL), a key transitional justice framework in Iraq addressing legacy of Daesh genocide (2014). Their further advocacy and participation in the implementation of different components of the YSL transitional justice framework, including reparations (both material and symbolical), and strengthening survivors' right to justice in Iraq, will be instrumental for effective implementation of the YSL. Survivors have been involved in advocacy efforts through both individual engagement and collaboration with NGOs, and through loose informal networks, including Survivors Voices Network (SVN)<sup>1</sup>.

Established in May 2021 with the support of IOM, Dak, Better World and Yazda, Survivors' Voices is a network comprised of survivors of sexual violence crimes committed by ISIL. Their vision is that every survivor of sexual violence perpetrated by ISIL in Iraq benefits from the Yazidi Survivors Law, including medical and psychological care, education and socioeconomic support, criminal justice, material and symbolic reparations, in order to reintegrate into society and lead a dignified life. Their mission is to amplify survivors' voices to ensure their meaningful participation in everything that concerns them.

As a precondition for safe, effective and dignified participation of CRSV survivors in advocacy and implementation of transitional justice mechanisms in Iraq, it is necessary to ensure that survivors who decide to be involved in these efforts have tailored and sustained support. IOM seeks an experienced service provider to provide following assistance to survivors of CRSV:

1. Strengthening their core skills for advocacy efforts (public speaking, self-care, critical thinking, etc)
2. Expanding their understanding of relevant issues and principles related to specific transitional justice mechanisms (i.e. accountability for CRSV/genocide, memorialization)
3. Strengthening their skills in designing and implementing grassroots initiatives for economic empowerment of survivors
4. Strengthening existing survivors' advocacy platforms, i.e. network governance, project management, community engagement, visibility (including social media), etc.
