

CALL FOR TENDER

Humanitarian Aid for Northern Iraq - Rehabilitation of Water Stations Our Ref. IRQ 1032-TND-092

Dear Sirs,

Welthungerhilfe (hereafter WHH) was established in 1962. It is today one of the largest private organizations working in the area of development cooperation and humanitarian aid in Germany. The organization is non-profit-seeking, non-partisan and non-denominational. Donations from the population at large fund our work in over 40 countries in Africa, Asia and Latin America. In addition, WHH receives grants from the Department for International Development (DFID), the Federal German Government, the European Union, the United Nations and the United States Agency for International Development.

Financed by the German Ministry for Development and Cooperation (BMZ) for our humanitarian aid activities in Northern Iraq, we are in the market for:

REHABILITATION OF TWO WATER STATIONS IN SALAHADEN GOVERNORATE (SAMARA WATER STATION AND ALTARKH WATER STATION)

9. Inspection

The Contracting Authorities shall be entitled to inspect, examine measure and test the components, materials and workmanship, and check the progress of preparation, fabrication or manufacture of anything

being prepared, fabricated or manufactured for delivery under the contract, in order to establish whether the components, materials and workmanship are of the requisite quality and quantity. This shall take place at the place of manufacture, fabrication, preparation or at the place of acceptance or at such other places as may be specified in the Contract.

For the purposes of such tests and inspections, the Contractor shall:

a) Provide to the Contracting Authorities or his representative, temporarily and free of charge, with such assistance, test samples or parts, machines, equipment, tools, labour, materials, drawings and production data as are normally required for inspection and testing.

b) Provide access to the Contracting Authorities or his representative, at all reasonable times to the place where the tests are to be carried out.

An independent surveyor/inspection company shall may also execute this inspection on quality and quantity at the construction site. One inspection per project will be on behalf of the Contracting Authorities. Materials or works not meeting agreed quality would be rejected. In case works/materials are rejected, the contractor will contractually be obliged to demolish or make good of the works or replace the materials. Fees that will become payable to the inspection company due to multiple interventions and/or fruitless visits but the works remained unfixed will be charged on the contractor.

10. Penalties

Construction schedule/program of works will be negotiated and fixed. In the event of delay in the finalization of works caused other than by force majeure, the respective Contracting Authorities are entitled to make use of a penalty of **5/1000** per day of the total value of the works. The penalty will be deducted from the invoice. In the event of late completion caused by the contracted tenderer, the respective Contracting Authority is entitled to deduct the losses from the invoice. In case the quality is not in line with specifications initially agreed by both sides, the contracted tenderer has to inform the respective Contracting Authority as soon as possible. Works/materials not meeting agreed quality can be rejected by the respective Contracting Authority, but if the respective Contracting Authority accept these goods, a deduction from the order sum and a penalty will be negotiated. In case of delays, the contractor has to inform the contracting Authority in writing about the expected delay and the reasons thereof

11. Guarantee

The Contractor is obliged to fix subsequently recognized construction defects within (3) Three Months after delivery at its own cost. The Contracting Authorities shall be entitled to reserve 5% (5 per cent) of the total value of the contract to guarantee this service. Exact conditions will be negotiated and fixed in contract if needed. In case of an approved advance payment, an equivalent bank certified cheque **MUST** be submitted. In case of an approved advance payment, an equivalent bank certified cheque **MUST** be submitted.

12. Prices

The price includes the cost of labour, materials, transportation, installation, connections, all related work as specified in the bill of quantities, technical specifications and drawings, Taxes, ICR and overhead cost.

All prices must be indicated in **IQD (Iraqi Dinar)** currency **ONLY**.

Prices in other currencies are not accepted.

13. Payment Conditions and schedule

Payment shall be made in **IQD (Iraqi Dinar)** currency only.

Supplier needs to have **IQD** bank account under the company name and possibility to receive an international **IQD** bank transfer to the company bank account.

Payments due by the respective Contracting Authorities shall be made to **the bank account under the company's name or by cheque to the company's name only** mentioned on the Quotation Summary (Annex II) of the tenderer and confirmed in the Contract.

The contractor is in charge of covering the bank fees. **WHH WILL NOT PAY EXTRA FOR BANK FEES.** Payment shall be made by Cheque or Bank Transfer against documents (CAD) within twenty (20) working days from the receipt of the correctly signed and stamped documents stated in Article 8. at WHH in Duhok

According to measured works after completion of 100% of the total work
- **2nd installment (Retention):** 20% of the total amount
To be paid after 3 three months after full acceptance of the works by WHH.

Change of the payment schedule could be done by WHH only, according to the work progress measured by WHH Engineers.

14. Selection Criteria

Awarding criteria:

- 60% Price
- 10% Implementation period
- 10% Number of related Contract
- 20% Technical Interview

(only shortlisted supplier from initial evaluation 60% Price, 10% Implementation period, 10% Related Projects will be shortlisted for technical interview and quality inspection).

The assigned points per listed criteria for price and implementation will be calculated in reference to the obtained proportion from the best offer criteria's result in comparison to the offered value per criteria (multiplied by 0.60 and 0.10 respectively).

Number of Related (construction, rehabilitation) Contracts with NGOs will be evaluated as follow:

- Please attach only your solar related contracts with your bid

- If contracts are not attached, points will not be considered

1 Contract	2 Contracts	3 Contracts	4 Contracts	5 Contracts
2 point	4 points	6 points	8 points	10 points

Exclusion criteria:

Any of the following documents missing or not duly filled will be considered a reason for exclusion:

- Company registration documents or Contractor Union ID.
- Documents mentioned in Article 8 above.

15. Calculation Mistakes

Bids submitted by interested bidders will be checked for any arithmetical errors in computation and summation. Errors will be corrected by the evaluation committee as follow:

Where there is a discrepancy between a unit price and the total amount derived from the multiplication of the unit price and the quantity, the unit price as quoted will be the price considered. Amounts corrected in this way will be binding on the bidder. If the bidder does not accept them, the bid will be rejected.

16. Tender Conditions

The tenders, all correspondence and documents related to the tender exchanged by the tenderer and the Contracting Authorities must be written in the language of the procedure, which is English.

Quotations must specify all details according to the tender text. Incomplete offers and offers that arrive later than the deadline for reply will be automatically excluded. All responses will be opened by the Welthungerhilfe tender committee.
